

## An Incredible Success

We are beyond grateful for everyone's generosity in our recent Charity BIASL Golf Tournament. We would like to thank our incredible Sponsors, as well as those who made both generous cash donations, as well as prize donations towards the silent auction. Your participation and kindness was instrumental in helping us to raise over \$40,000 - our most successful tournament to date!

A special thank you to everyone who worked so hard this year on the golf committee! This would not have been possible without your commitment and dedication. Thank you Shelley Leippi, Cheri Furlan-Craievich, Kelly Steeves, Chantal Prasad, Christina Martin, Jessica Gough, Chris Peters and Karen Blackwell.

Thank you as well to the many volunteers who joined us the day of the golf tournament. They "weathered" another hot day with no complaints. We appreciate your time in helping us to make this a fantastic event!

We are thrilled to announce that the date of next year's tournament will be on  
Thursday June 15, 2023,  
at Widder Station!  
Please mark this date on your calendars!!!

# Mitton Village Parkette Project

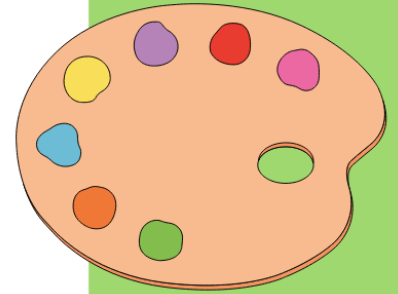

The Brain Injury Association of Sarnia Lambton wishes to thank the City of Sarnia and their partner, Diversity Ed Safer Spaces Canada and the Mitton Village Parkette Project, as we were selected in a \$1200 grant project. The outcome of the grant allowed our members to design and paint a picnic table that now sits in Mitton Village. Special thanks to lead design artist, Shreena Dew for her time, talent and dedication to the project.

## Summer BBQ Fun

It wouldn't feel like summer without our annual BarBQ - even if we were surrounded by rain throughout the day. Regardless, it was a day for many to reunite and enjoy the beach, play some games and celebrate with delicious food. We are most grateful for the kind and generous leadership of our volunteers Terri Kallies and Brian Hamilton.
